Thank you. We would appreciate a counteroffer, as we submitted a first offer.

I will check to see if previous was, or was not, submitted. A Joint Status Report will be provided shortly.

Mr. DeWitty,

Sorry to have missed your email from yesterday as we had a deposition yesterday. At any rate, we look forward to receiving a draft report and will provide our feedback today for filing.

Our clients did not respond favorably to your original offer. If your client can lower your demand, and provide an aggregate settlement offer, I will pass them to the clients for their consideration and return with a counter.

We are hopeful a settlement conference can facilitate settlement. Meanwhile, if my memory serves, we are still waiting for Plaintiff to provide its Evidence of Infringement against all the Defendant stores that our office represents. Please provide the requested EOI so that Defendants can properly prepare for settling the case - whether in private, or through the Court mediated settlement conference.

best regards,

- Hua

Mr. Chen-

This is my second email to you regarding the Joint Status Report. If I don't hear from you by 4p CST today, I will have to prepare and file the report and note your lack of participation.

Mr. Chen-

A Joint Status Report was due today at noon CST. Due to travel, I was unable to contact you in this regard. I suggest we draft a Report and deliver tomorrow.

The Settlement Conference is to be held next week.

Have your clients given any more thought to settlement?

We don't need to have a filing. We just need to email the Magistrate Judge with our preferred dates.

Hello-

We were supposed to receive dates from you last week. What about the dates? I need to send a note to the Judge today.
